Looking Ahead to Summer

Summer is our busiest season and we want to make sure everything is smooth and stress-free for you and your pup!

Vaccinations Matter

Our system will not allow bookings with out-of-date vaccinations, and vet clinics fill up quickly this time of year, sometimes weeks out.

Take a moment now to check your pup's vaccination dates so you're ready before your vacation.

If you're waiting on a vet appointment but want to secure your reservation:

- Please book directly with our staff
- The online system will not allow it until vaccines are updated

Uploading Vaccinations

Uploading records to your client portal is a huge help, thank you!

But our system doesn't automatically update them. After uploading, please:

- Email us
- Text us
- Or let us know at drop-off

So we can enter the dates and get everything approved.

Forms & Easy Drop-Offs

Make sure all electronic forms are signed ahead of time for a quick and easy drop-off experience.

Need help? Just call or stop in. We're always happy to help!

May Enrichment Party Stop & Sniff the Flowers

SAVE THE DATE: May 19th, 2026

Included with Daycare!

Pups must be dropped off by 10am to be guaranteed participation

Our pups will be celebrating spring in the best way we know how... by sniffing EVERYTHING!

They'll enjoy:

- Sniff-worthy flower bouquets filled with fun scents
- A spring-themed photo backdrop
- Tons of enrichment, play, and tail-wagging fun

We truly don't know who will sleep better... the pups or our staff after this one

Spring Showers = Messy Paws

With all the rain, mud, and spring play... things can get a little messy (okay, *really messy*).

Between puddle jumping and yard zoomies, your pup is living their best life... your car seats, maybe not so much

Before heading home, don't forget:

- Stop by our clean-up station for a quick wipe down
- Ask about a rinse-off to freshen your pup up

Staying with us for boarding? We've got you covered!

Enjoy **10% off departure baths** so your pup goes home clean, fresh, and ready for couch cuddles instead of straight to the tub

Even better...

That **10% off** also applies to our **monthly spa special** if you really want to pamper your pup *and* save your car seats

Because nothing says spring like a clean pup after a muddy adventure!

From Our Pack to Yours

Spring is one of our favorite times of year here at Charming Paws. Watching the pups enjoy the sunshine, fresh air, and new scents makes every day special.

We're so grateful to be a part of your pup's life and to create these moments with them!
